

ANOTHER DAY WITH YOU

© RYAN GUILLEY

You protected me from the world,
The angel and girl with long curls,
Gave me a hug and a kiss,
As you are now so dearly miss.

All the times we spent,
Never a fight, but just a God sent.
I would do anything,
to get you back and bring.

Just another day with you,
Someone who is so true.
I'm never letting go,
As I want to hold tightly so.

You are my home,
You are always more than just a poem,
I'm going to see you again,
The girl who I love with hairpins.
Only to hold you again,
Me and you, are the perfect twins.
