

# IN LOVE WITH YOU

© RYAN GUILLEY

Pretty and beautiful are those eyes,  
Of how much you never realized.  
How much you mean to me,  
As you will always will see.

I'm in love with you,  
I can't live a day, if you knew.  
I want your touch and your eyes,  
And wipe those happy cries.

We will dance in the streets,  
As our hearts will rapidly beat.  
That no other person in the world,  
Is you, with those immaculate curls.
